## CSS                                         Copy

```
.layout {
    width: 1366px;
    height: 768px;

    display: grid;
    grid:
        "header" 1fr
        "nav" 1fr
        "main" 8fr
        "footer" 3fr
        / 1fr;
    gap: 10px 8px;
}

.header { grid-area: header; }
.nav { grid-area: nav; }
.main { grid-area: main; }
.footer { grid-area: footer; }
```

## HTML                                        Copy

```
<section class="layout">
    <div class="header">1</div>
    <div class="nav">2</div>
    <div class="main">3</div>
    <div class="footer">4</div>
</section>
```
